

IELTS Table Practice

The table below shows information about underground railway systems in six cities.

Summarize the information by selecting and reporting the main features and make comparisons where relevant.

City	Date opened	Kilometers of route	Passengers per year (in millions)
London	1863	394	775
Paris	1900	199	1191
Tokyo	1927	155	1927
Washington DC	1976	126	144
Kyoto	1981	11	45
Los Angeles	2001	28	50
