to me

Dear Pete,

I just got my IELTS one-skill retake (writing) yesterday and got 7.0.

Task 1 - I got a two-chart question (a pie chart and a bar chart), which I had never practiced, but somehow managed to complete the writing on time, following your structure for both charts.

Task 2 - I got the 'Agree/Disagree' question type, which asked whether sporting facilities should be designed for top athletes or for everyone.

Thank you very much for helping me improve both my writing and speaking skills so that I can achieve my goal of a 7.0 in both areas.

Best regards,
Tarn

Hi Tarn,

I knew you'd do it, well done!!

It was a pleasure to teach you and you're very welcome. All the best with your future endeavors.

Kind regards,

Pete

To T.Pete

Thanks for teaching and being the best teacher to teach IELTS that I have.

Thanks to your teaching I got 9.0 in reading .

However, my score drop in listening but that's okay at least I got the score needed?

Best Regards

Pound (Your grateful student)

Hi Pound,

That's a brilliant reading score!

Remember, sometimes our band per section comes down to the test on the day. I've had students do another test and get much higher results for listening on the second attempt. But, you've achieved your target band, so all is perfect already.

Very well done, I'm really pleased for you.

Regards,

Pete

My IELTS test result (Movie)

to me

Dear Mr. Pete,

I took a test (on computer) recently and here is the result I would like to share with you. Overall, I am quite satisfied with all the written parts of the test, except for the speaking test, especially in Part 2, I was a little bit nervous when sitting in front of the real examiner as you had told us several times in the class. I thought I might have to sit another test, however, my band score is still acceptable for me and it is eligible for college applications in the future.

Finally, I would like to thank you again. Everything I obtained from your class helped me a lot in the real test, for example, I was able to write more than 300 words in Writing Task 2 within the given time, which I couldn't do when practicing online.

Thank you and I hope you have a great day.

Best regards,
Movie

This means you're a "Good User"

The test taker has operational command of the language, though with occasional inaccuracies, inappropriate usage and misunderstandings in some situations. They generally handle complex language well and understand detailed reasoning.

Hi Movie,

Movie that's an excellent result and I'm very pleased for you. Being nervous in the speaking test is very common among candidates, but not to worry, because you and I know in reality you're speaking is a lot higher than a band 6 and, you got the overall you needed anyway.

Thank you for sharing this and I wish you all the continued success.

Kind regards,

Pete

Sarun

to me

Dear teacher,

I took the first IELTS exam of my life on 25th Mar 2023 at West London College in the UK. They have just released my result on the British Council page recently. The result is satisfying me pretty much as I've got an Overall 7.0

This email is to thank you that you made an effort to teach me various techniques for achieving a high band score from IELTS. In fact, 7.0 is not relatively higher than many students. However, achieving 7.0 on the first attempt is incredible for me.

Thank you very much and may you have a long life, good health, happiness, and prosperity forever.

Kind regards,
Sarun

Hi Sarun,

Actually an overall 7 is a great score by many students' standards. Especially, as you say, for a first attempt.

By the way, as a Buddhist monk you were one of my most interesting students and I very much enjoyed our conversations together. Hopefully getting your UK residency will now be a smooth process.

Thanks for the feedback and really well done.

Kind regards,

Pete

Dear Teacher Pete,

I took my first IELTS exam around the end of last year, and I haven't had the chance to thank you yet. I received an overall band score of 8.5 on my first attempt, and I truly couldn't have done it without your guidance.

Thank you so much for all your help, support, and encouragement. I really appreciate everything you taught me.

Thanks from Pinpin

to me

Hi, I hope you can still remember me. I'm Pinpin, one of your former students. It's unfortunate that because of the circumstance, I was unable to take a paper-based test, so I don't think that I performed good enough during the exam. Anyways, the point of this letter is to express my gratitude. Due to your teaching, my score is very impressive and satisfying, at least from my point of view. I thank you so much for all of your careful examination and teaching. I wouldn't have gotten this far without you and the IETLS course. The score really makes my day and helps me to pursue my dream with even stronger passion. Thank you.

Hello Pete

After finishing the course I took 2 tests but the 1st one was quite not impressive I got an overall 6.5 band with 5.5 speaking. I got some terrible experiences with British Council. However, I took the second one, and I got the result today. I am really happy to share it with you. Thank you very much for everything.
